

DR. CARMEN BATTAGLIA

Author of

Breeding Dogs to Win

As a world-renown researcher, lecturer, and author, Dr. Battaglia's work has appeared in prominent journals, magazines, and canine-related publications internationally over several decades. A current AKC Board Member, Dr. Battaglia has also served as chairman and/or member of multiple national committees related to canine genetics, health and education, planning and operations, and is so well respected that the AKC asked him to develop their DNA program.
